Canning Club Checklist

The Rules

- ☐ 10 People Create 50 Jars Each of Chosen Recipe (Extras can be made too!)
- ☐ Everyone Agrees to Use USDA safe canning practices and guidelines (ie - no "rebel canning")
- ☐ All groups agree to canning recipes so no overlap

Equipment & Access

- ☐ Share equipment if needed.
- ☐ Know a deal on equipment and jars, share the sale deets!
- ☐ Club agrees to share space and buddy can if needed for resourcing and collaboration
- ☐ Make sure all equipment is clean and in proper working order

Safety

- ☐ Check your jars for defects. And use all new lids for each recipe. No lid reuse.
- ☐ Store without canning rings so no false seals stay on shelves
- ☐ No glass top electric stoves for jar processing.
- ☐ Follow all USDA safe canning practices and health code standards for cleanliness
- ☐ Label all cans with recipe name, who prepared it, and month/year date on lid.

Final Steps

- ☐ Confirm Canning Club Exchange Location
- ☐ Have fun!
